17th NATIONAL OUTDOOR EDUCATION CONFERENCE

THEME:

The Next Step... Innovations in Outdoor Education.

Our theme explores innovations in technology, sustainability, adventuring, risk management, curriculum, pedagogy, and practice led research for the Outdoor Education profession

WHEN: 16-18 January, 2012

WHERE: University of Canberra, Belconnen, ACT, Australia

OEA and ACTOEA recognise our responsibility for the environment and are committed to minimising the impact of this event.

Outdoor Education Australia, in association with the ACT Outdoor Education Association, invites you to join colleagues at the 17th National Outdoor Education Conference in Canberra, ACT.

The Conference will include a wide array of presentations, practical workshops and activities from national and local sources.

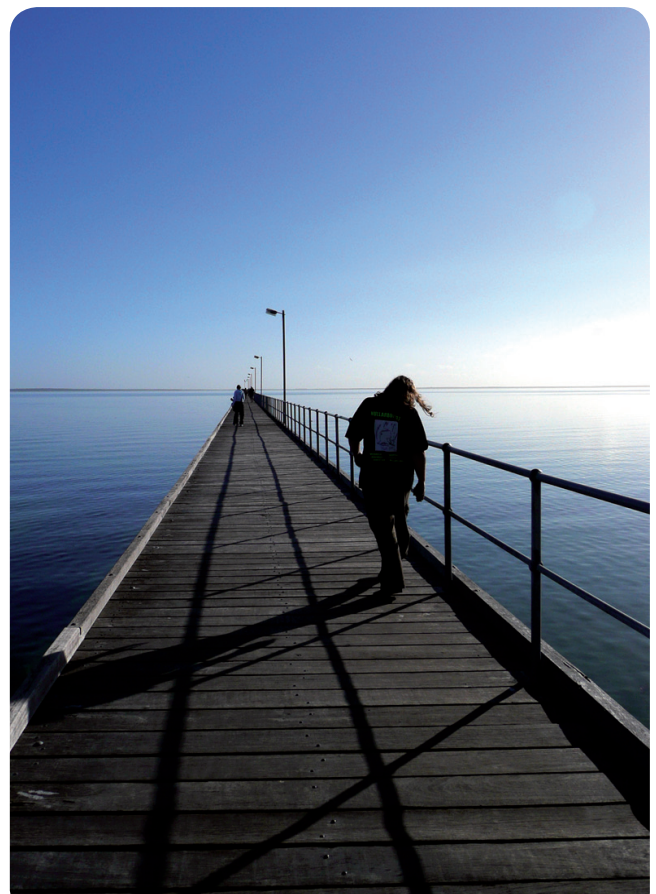

Pre & post conference workshops & skills refreshers will add to your professional learning.

The beautiful bush capital of Canberra is the perfect location for the Conference and an add-on holiday with your family or friends – nature parks, wild rivers, tamed lakes, cliffs, and mountains for wonderful climbing, walking, paddling, cycling... Bring your kayak, mountain or road bike, ropes and rack for adult play time.

Lots of socialising and opportunities to play will help you enjoy your stay.
